# 38/40MM 15 ROUNDS GAS LAUNCHER (CAR MOUNT AUTOMATIC MULTIPLE LAUNCHER)

This 15 rounds multiple launcher will be installed on top of the police vehicle and can be operated by remote controller remaining inside the car. All kinds of 38mm or 40mm tear gas cartridges or rubber ball cartridges can be fired from this launcher. So, Police can take control of big size protest very effectively without being exposed from outside dangers.

For easy handling, we designed it very simply and tried to reduce weight and size, so this machine can be attached or detached very easily and quickly.
